

GLOBAL SEARCH INTERNATIONAL VACANCY

LIFESTYLE AMBASSADOR & MODERN BUTLER **Singapore | Luxury Resort | Reference 30006**

Create experiences shaped around the person

Aspire Globally is seeking an exceptional Lifestyle Ambassador & Modern Butler for a leading luxury resort in Singapore.

This is an opportunity for a thoughtful, engaging hospitality professional to bring their personality, cultural knowledge and creativity into a role where understanding the guest is central to everything they do.

You will combine the instincts and discretion of a modern Butler with the curiosity and resourcefulness of a lifestyle ambassador. Through conversation, observation and careful anticipation, you will discover what matters to each guest and turn that understanding into experiences that feel individual and memorable.

The Opportunity

As a trusted point of contact for international guests and families, you will take ownership of their experience throughout their stay. You will coordinate arrangements, anticipate requirements and help guests discover both the resort and Singapore in ways that reflect their interests.

Your contribution will extend beyond fulfilling requests. A passing comment about food could inspire a private culinary experience. An interest in heritage might lead to discovering a neighbourhood, craftsman or local tradition. A family celebration could become something carefully designed around the people taking part.

The opportunity lies in recognising these possibilities and bringing them to life with care, sound judgement and attention to detail.

GLOBAL SEARCH INTERNATIONAL VACANCY

Your Role

You will work closely with guests, colleagues and external partners to deliver thoughtful service and well-coordinated experiences.

Your responsibilities will include:

- Discovering guest preferences, interests and expectations through natural engagement and attentive observation.
- Curating personalised experiences around culture, dining, wellness, family activities, celebrations and individual interests.
- Bringing Singapore to life through knowledge of its heritage, neighbourhoods, cuisine and experiences.
- Looking beyond conventional recommendations to find opportunities suited to the individual guest.
- Arranging dining, transport, activities, private experiences and special occasions.
- Coordinating private dining and celebrations within the guest's villa or residence.
- Anticipating requirements and acting proactively throughout the stay.
- Working seamlessly with Concierge, Housekeeping, Food & Beverage, Spa and other departments.
- Maintaining discretion when caring for VIPs, families and high-profile international guests.
- Recognising when guests welcome conversation and when they value privacy.
- Taking personal ownership of requests and challenges through to completion.
- Recording and communicating guest preferences accurately and discreetly to support continuity of service.

The Person We Are Looking For

We welcome relevant experience within luxury hotels and resorts, Butler service, Guest Relations, VIP services, luxury residences, Concierge, lifestyle management or private members' clubs.

Your current job title matters less than your ability to understand people, build trust and translate ideas into carefully delivered experiences.

GLOBAL SEARCH INTERNATIONAL VACANCY

You will bring:

- **Natural warmth and confidence**, with the ability to engage comfortably with guests from different cultures and backgrounds.
- **Cultural curiosity**, particularly an interest in Singapore's food, heritage, arts, neighbourhoods and experiences.
- **Intuition and emotional intelligence**, recognising subtle cues and adapting to different personalities, generations and expectations.
- **Creativity**, developing experiences around an individual rather than relying solely on an established list.
- **Resourcefulness**, knowing where to look, who to approach and how to coordinate unusual requests.
- **Discretion and professional polish**, whilst remaining approachable and sincere.
- **Excellent communication**, with strong spoken English essential and additional languages welcomed.
- **Organisation and ownership**, ensuring that arrangements are followed through and details are carefully managed.

Relevant Experience

Candidates should ideally demonstrate:

- Previous experience in luxury hospitality, private service or lifestyle management.
- Direct responsibility for looking after discerning international guests.
- Strong knowledge of Singapore and enthusiasm for continually expanding that knowledge.
- Examples of personalising service around a guest's particular interests or needs.
- Confidence coordinating colleagues, departments and external partners.
- The ability to manage several arrangements whilst maintaining attentive guest engagement.

Butler experience is advantageous. The successful candidate will also show the curiosity, relationship skills and creativity needed to make that service truly personal.

Why This Role Matters

Guests remember how an experience made them feel, especially when it reflects something meaningful to them.

In this role, you will have the opportunity to use your knowledge and initiative to create those moments. You will help a family discover something they can enjoy together, connect a guest with an aspect of Singapore they might otherwise miss, or quietly arrange a celebration that feels entirely their own.

If you enjoy discovering what makes people distinctive and finding thoughtful ways to respond, this position offers an opportunity to bring that instinct into your daily work.
